

IIMC in Response to COVID-19 Crisis

In India, big number of population live on daily work in crops field, floating labour, unskilled work, TukTuk & Rickshaw puller etc. and everyone last 6 weeks under 100% home locked down, straggling, suffering and starving.

We in our IIMC–Mission started to support poor and destitute hungry people by supplying food, medicines, essential groceries, mental and emotional supports.

IIMC Volunteers Team – Preparing Food Packets.

Food packages distribution among sponsored children family.

We shall continue this support for the poor and destitute hungry people.

Women Peace Council - peripheral rural mothers receiving food packages.

We all IIMC members want to THANK you everyone who are continuously contributing and supporting this relief process.

We hope soon this catastrophic crisis situation will come to the end.
